Chief, Management & Analysis Support Staff - NFAC

SUBJECT : Terminals

1. During the NFAC relocation process, we request that you not move any (Delta Data) terminals. Allow ODP to disconnect and reconnect any such equipment.

2. In an effort to expedite SOVA's move, NFAC's 1982 terminal allocation was used up in supplying [REDACTED] Before we can get any more terminals to meet your FY-82 requests, ODP must account for the distribution of existing terminals, including those left behind by SOVA. We will be working with your ADP coordinators to insure that your office gets its fair share of the allocation.

3. We also request that you not relocate terminals within your office, or ask installers to place them anywhere except in an approved location as shown on the blue prints. Any requests for terminal relocation should follow normal channels through the NFAC ADP Control Officer.
